THE FIRST PAGE

It carries no title. There is a rule under the device and it is yours: name the book for what it turns out to be, which is rarely what you thought when you bought it. Some people date it instead, and some leave it empty for a year.

BEFORE YOU START

- ☐ Write your name on the kraft wrapper, and a number to call.
- ☐ Number the volume if you keep more than one of these.
- ☐ Try a nib on the last page before you trust it to page one.
